

EPIC Homeschool Academy

Elementary Course Descriptions

Scope and Sequence

OVERVIEW

EPIC Homeschool Academy offers a variety of academic and enrichment style classes for the elementary levels. Elementary is considered 2nd-5th grade. Academic classes include, but are not limited to; language arts, foreign language, and science. Enrichment style classes include, but are not limited to; art, gym, and music. Prerequisites are suggested skills mastered or classes taken before enrollment. Loop schedule refers to the number of suggested years of a class when it is taken on a rotating basis. Descriptions are as accurate as possible given current staffing and curriculum choices but are subject to change. Classes have a capacity of 18 students unless otherwise noted. Class supply fees may apply and will be listed in August with other book and supply lists.

OVERALL EXPECTATIONS

1. An academic class (science, foreign language, language arts) averages **30 minutes per day of homework** plus projects.
2. An enrichment class (art, music, gym, K/1) typically has no homework.
3. **Parent involvement is expected** and often required especially for non-reading students.
4. All families are expected to have **access to the internet**, a printer, and Google items (docs, sheets, slides, classroom, etc). If remote learning occurs, zoom may be needed.
5. Grading is teacher preference but is typically done on an **ESN scale** (Excellent, Satisfactory, Needs improvement).

KINDERGARTEN AND 1ST GRADE ENRICHMENT

In our K/1 Enrichment Class (Block time 10:30-3:30), students will participate in several unit studies throughout the year that will engage them in learning both important skills and content. Each unit will have a unique theme verse, art projects, and several interactive learning experiences. Learning activities will be differentiated to challenge students of differing academic ability levels. Class parties are also a highlight for this age group. K/1 Students also spend 1 hour each Monday in a unique gym class designed to develop gross motor skills and introduce them to basic games and sports. This class is meant to complement what you are doing at home. Please be sure to provide your own separate curricula for math, handwriting, and reading/phonics. Capacity is 20 students.

Prerequisites: Able to follow three-step directions, self-managed in care (eating, restroom), attention span of 10 minutes, writing own name, and ready to learn to read. Students should be kindergarten ready- this is not a preschool environment.

Loop Schedule: Content units run on a two-year loop

Year A (2022/2023, 2024/2025): Habitats, States of Matter, Spring Sensations, Types of Energy, Dinosaurs, Extreme Earth, Elements of Art

Year B (2021/2022, 2023/2024): Astronomy, Laws of Motion, Continents and Oceans, Landforms, Human Anatomy, Missionary Studies, Community Helpers

2nd-5th GRADE ELEMENTARY COURSES

AMERICAN SIGN LANGUAGE (ASL)

A fun and engaging introduction to American Sign Language and d/Deaf culture. Students use a variety of activities to learn the language in class and at home. Daily practice helps build vocabulary and conversational skills. A mixed-aged class for 2nd-5th grade.

Prerequisites: None

Expectations: Daily vocabulary practice, class participation

Loop Schedule: Appropriate for 2-5th grade years, 2-year content loop

Curriculum: The elementary class will be on a 3-year loop using vocabulary out of The Gallaudet Children's Dictionary of American Sign Language throughout the 3 years, supplemented by additional material.

Texts Required for Loop Year B (21/22):

[The Gallaudet Children's Dictionary of American Sign Language](#)
[Deaf Culture Coloring Book by Jessica Parker](#)

Texts Required for Loop Year C (22/23):

[The Gallaudet Children's Dictionary of American Sign Language](#)

Texts Required for Loop Year A (23/24):

[The Gallaudet Children's Dictionary of American Sign Language](#)
[American Sign Language ABC Writing Workbook by Jessica Parker](#)

ART

Creating various projects using multiple art forms and periods. Paint, sculpture, print, drawing, watercolor, oils, and more highlight this creative enrichment experience. Students split into 2/3rd grade and 4/5th grade classes. 20 student capacity.

Prerequisites: None

Loop Schedule: Appropriate for 2-5th grade years. Art themes and projects run on a 3-year cycle.

BIBLE

This class works through the Bible chronologically, showing our students how everything is connected into One Big Story - a story centered on Christ that includes them! As with all of our EPIC classes, we hope to encourage lots of hands-on and project-based learning opportunities. We also hope to expose our students to several important disciplines that will help them deepen their relationship with Jesus including prayer, journaling, and scripture memorization.

Prerequisites: None

Loop Schedule: Appropriate for 2-5th grade years. Content runs on a 3-year cycle.

2021/2022: Christ has Come!...New Testament

2022/2023: Where it all begins...Genesis-Joshua

2023/2024: Judges, prophets, priests, and kings...Judges-Malachi

GYM

An introduction to a wide variety of sports and an opportunity to practice them in a group environment. Students learn teamwork and are encouraged in personal physical fitness. The class focuses on the virtues of perseverance, encouragement, cooperation, and humility. Max enrollment of 20 students. Three separate class hours are offered this year (2/3rd, 4/5th, and a combined 2nd-5th class).

Prerequisites: None

Loop Schedule: New sports and games offered each year.

LANGUAGE ARTS

Elementary Language Arts focuses on providing a gentle and engaging introduction to the basics of writing and grammar. Literature-inspired projects, creative writing, poetry, basic building blocks of sentences, and reassuring prompts will capture the imagination of even the most reluctant reader. Inspired by Brave Writer philosophy combined with the structure of WriteShop

Primary and other teacher-created materials, this class is designed to carry elementary students all the way through 2nd-5th grades. An additional class for 5/6th grades encourages academically focused writing to prepare students for Middle School.

Lower Elementary Prerequisites: Reading at a 1st-grade level, writes name, basic literacy skills (phonemic awareness, inventive spelling, space between words, left to right formation), can dictate at least a 5 sentence story

Upper Elementary Prerequisites: Reading at a 3rd-grade level, can write independently (spelling and grammar aside), understands the concept of a sentence, stamina to write for 5-10 minutes, ability to tell a cohesive story.

5/6th Writing Prerequisites: Reading on grade level, can write full sentences with ease, independently writing for 10+ minutes at a time, can use writing to express understanding of concepts, can logically order sentences to create a cohesive paragraph.

Loop Schedule:

1. LEL (2nd/3rd)
 - a. WriteShop B over two years
 - b. Projects include friendly letter, journal writing, children's literature components
 - c. Goal of writing clear and complete sentences
2. UEL (4th/5th)
 - a. WriteShop D over two years
 - b. Projects include persuasive letter, fictional writing, journal entries, and literature response
 - c. Goal of writing clear and complete paragraph
3. 5/6th Grade Writing
 - a. Academic-focused writing
 - b. Introduction to Grammar
 - c. Multiple Paragraph Writing

MUSIC

Students learn the basics of music theory, history, instruments, and more! Hands-on experience with boomwhackers and other small classroom instruments along with singing bring practical application to the class. Students have opportunities to perform for classmates and families multiple times a year.

Prerequisites: None

Loop Schedule: Designed as a two year class for 2nd and 3rd grade

ODYSSEY OF THE MIND

Odyssey of the Mind is an international creative problem-solving program that engages students in their learning by allowing their knowledge and ideas to come to life in an exciting, productive environment. Students use many different STEAM skills (science, technology, engineering, art, and math) and creative problem solving to figure out a solution to their assigned problem. Teams can have a maximum of 7 "brains" so space is limited for this class. A minimum of 5 students must be enrolled. An additional team may be added if staffing and demand allows. Tuition is

split in half due in September and the other half on October 26th. Due to the nature of the small class size and the rules bound by the Odyssey of the Mind organization, the October payment is non-refundable.

Prerequisites: Must be able to attend local and state competitions in February and March (usually one Saturday each). Some extra practices leading up to competition. Dates TBA

Expectations: There is a requirement for parent/family involvement in the form of volunteering, material prep, or judging on competition weekends.

Loop Schedule: New teams and problems each year

SCIENCE

Project-based and hands-on learning experiences both in the classroom and at home. Cooperative creative discovery with God's amazing world is the goal of these elementary science classes. Engaging activities for home enhance the content being discovered during class time. Curriculum is based on Apologia Elementary textbooks and other teacher-created materials. Class is split into 2/3rd grade and 4/5th grade classes.

Lower Elementary (2/3rd) Prerequisites: None

Upper Elementary (4/5th) Prerequisites: It is recommended that students can read and write independently on grade level

Expectations: Parent involvement is required to ensure proper comprehension and response to the content and project completion.

Loop Schedule: Class can be taken every year with new themes offered on a rotating basis.

1. Human Anatomy (2021/2022)
2. Astronomy and Earth Science (2022/2023)
3. Ecology (Animal and Plant Studies) (2023/2024)
4. Chemistry and Physics (2024/2025)

Curriculum: Textbook- 1 per family. In addition- 2/3rd grade: Junior notebooking journal, 4/5th Grade: Regular notebooking journal

SPANISH

A fun and engaging introduction to the Spanish language and cultures. Students learn through song, story, and play both in class and at home. Daily practice helps build vocabulary and conversational skills in the language. A mixed-aged class for 2nd-5th grade. Curriculum is purchased by EPIC and billed to account.

Prerequisites: None

Expectations: Daily vocabulary practice, class participation

Loop Schedule: Appropriate for 2-5th grade years, review and new content introduced each year.

STEM WORKSHOP

A true project-based workshop class inviting students to explore the areas of science, technology, and engineering. Units may include proper scientific methods, hands-on experiments, applied technology to solve a problem, basic engineering, and more. A broad overview and exposure of different STEM projects and experiences is the goal of this class. A mixed-aged class for 2nd-5th grade.

Prerequisites: Reading on level, ability to be self-directed in learning

Loop Schedule: Every Year
